

KIWANIS CLUB OF SOUTH ST. CATHERINE

The Kiwanis Club of South St. Catherine gives Well Needed Support and Brings Cheers to the Anne Dawson Girls Home

The Kiwanis Club of South St. Catherine (KCSSC), on Monday, January 18, 2021 celebrated thirty-one (31) years of service to communities, such as Portmore and its environs, in South St. Catherine, Jamaica. We are a mixed gender club comprising forty-three (43) members.

The KCSSC, led by its Past Presidents' Council (PPC), kicked off the Club's 31st Anniversary celebrations on Saturday, January 16, 2021 in Havendale, St Andrew with a donation to the Annie Dawson Girls Home.

The Club donated well needed food supplies; cleaning products; reading books and other educational materials; toys and games, as well as personal care and clothing items to the children at the home.

Special thanks to all who donated to this project, in particular Connie Denton 'A friend of Kiwanis'. Service never stops for the Kiwanis Club of South St. Catherine, even in a pandemic!
